SALES TERMS & CONDITIONS

1. The buyer is the highest bidder and if any dispute shall arise the lot can, at the discretion of the auctioneer, be put up again and resold. All lots are offered subject to the right to fix a reserve price and the bidding will advance in the amount named by the auctioneer
2. Buyers are to state names, addresses plus contact details and all lots must be paid for (by cash, credit/debit cards or bank transfer) on the day of the sale. Any lot not paid for may, at the discretion of the auctioneer, be resold by auction, or private contract, and if the price on such resale be lower than the price agreed by the owner, the buyer shall then be liable for the difference in price
3. Every lot shall on the fall of the hammer be considered as delivered to the buyer (subject to Clause 2) and nothing shall prevent the auctioneer or seller from compelling the buyer with all expenses incurred by them between the date of the sale and the date of the payment
4. The seller is solely responsible for any errors or descriptions or for any warranty and the auctioneer has the right to recover and receive the full amount of purchase money from the purchaser without prejudice to any right the buyer may have against the seller for any misrepresentation or break of warranty unless the sale is cancelled in accordance with Clause 5
5. The auctioneer or his servants will not be liable for the loss, death, disease, illness, damage or injury of or to any greyhound however it may have been caused, even though it may be negligence of the auctioneer, their servants or agents or any person for whose actions may be thought responsible
6. No warranty or guarantee is given in respect for any lots sold unless expressly stated in the catalogue or announced by the auctioneer at the time of the sale
7. All lots sold as they stand unless expressly announced at the time of sale
8. All greyhounds entered will take part in pre-sale trials unless the trials are cancelled owing to unforeseen circumstances. The sales will, or may, go on at the discretion of the auctioneers under the same conditions of sale. All greyhounds will be examined by the GBGB licenced veterinary surgeon before and after the said trials, or any greyhound to be unfit may be withdrawn at the discretion of the auctioneer
9. All lots must be paid for before removal from the stadium, whether sold or not they must be removed directly after or during the sale. The Identity Book and a stamped Transfer Of Ownership form will not be released until full payment is received.
10. At the request of the buyer the name and address of the seller will be given and in case of a dispute the remedy of the buyer shall be against the seller, not the auctioneer or their servants who are to be regarded as agents for disclosure
11. The starting bid for any greyhound will always be no lower than £100 sterling
12. If any greyhound fights within 28 days of being purchased at an International Greyhound Services Ltd track sale monies will be refunded on the condition that video evidence is produced along with an accompanying letter from the GBGB licenced Racing Manager from the track where the indiscretion took place
13. If any greyhound fails a Point Of Registration (POR) test at an International Greyhound Services track sale monies may be refunded if no satisfactory explanation is offered. Results of POR tests will be expected within 28 days of the sale date
14. Misrepresentation (see Clause 4) will be considered grounds for sale to be cancelled only if the ICC book is not available on the day of the sales. Intending purchasers are advised that the acceptance by the GBGB for the registration of any greyhound offered in this catalogue is subject to the greyhound being eligible for registration under the rules of racing
15. No refunds will be offered to any greyhound which has a registered name change within 28 days of the sale. For the avoidance of doubt any greyhound changing its name within 28 days after the sale will be deemed to have voided any warranty as regards POR sampling and 28 days fighter warranty.
16. International Greyhound Services Ltd act as the Sales Agent for the vendor and not as the importer.
17. 5% commission will be added to all purchases whether purchased on or off the bench
18. Bidding at an International Greyhound Services Ltd track sale will be in the form of one of the following: (1) Traditional in-person bidding at the auction; (2) Remote bidding via our online partner Marteye (pre-registration is essential); or (3) Telephone bidding (by prior arrangement only)
19. Bidding will be conducted in pounds sterling (£) and the highest bid on the fall of the gavel will be considered the winning bid
20. All greyhounds sold, are not to be registered with the GBGB until full payment has been made. In the event of any unpaid invoices, etc, the company reserves the right to request that the GBGB make any such unpaid greyhound(s) inactive and thus unable to trial or race until full payment is received.
